

Southern Poly Expert Resource Guide

This guide to Southern Polytechnic's on-campus experts provides names and contact information for experts. Topics and faculty are arranged alphabetically.

We ask that you contact the Public Relations department to locate the best source for your story or speaking engagement request. We will quickly try to find the most appropriate person to speak with you. The email addresses listed are given for reporters who are on deadline.

Feel free to call us for assistance. Thank you for your interest in Southern Polytechnic State University.
