## A Comparison of Undergraduate Degree Recipients

**Summer 2002** undergrad degree recipients - 79

- Average age - 26
- Average gpa - 2.93
- Average transfer credit hours earned - 31
- Those with 12 or fewer transfer credit hours earned – 33 (42%)
  - Graduated in 4 years – 12 (15%)
- Females – 10 (13%)
- Largest major - Computer Science (16) (29%)
- Citizens of US – 67 (85%)
  - Asian-American - 1
  - African-American – 13 (17%)
  - Hispanic-American - 1

**Spring 2002** undergrad degree recipients - 148

- Average age - 27
- Average gpa – 2.85
- Average transfer credit hours earned – 35
- Those with 12 or fewer transfer credit hours earned – 52 (35%)
  - Graduated in 4 years – 6 (4%)
- Females - 26
- Largest major – Computer Science (29) (20%)
- Citizens of US – 133 (90%)
  - Asian-American – 7 (5%)
  - African-American – 21 (14%)
  - Hispanic-American - 1

**Fall 2001** undergrad degree recipients - 138

- Average age - 28
- Average gpa – 2.88
- Average transfer credit hours earned – 35
- Those with 12 or fewer transfer credit hours earned – 46 (33%)
  - Graduated in 4 years – 2 (1%)
- Females – 17 (12%)
- Largest major – Electrical Engineering Technology (22) (16%)
- Citizens of US – 123 (89%)
  - Asian-American – 2 (1%)
  - African-American – 19 (14%)
  - Hispanic-American – 1

**Summer 1998** undergrad degree recipients - 100

- Average age - 28
- Average gpa – 2.85
- Average transfer credit hours earned – 68
- Those with 12 or fewer transfer credit hours earned – 22 (22%)
  - Graduated in 4 years – 1 (1%)
- Females – 14 (14%)
- Largest major – Civil Engineering Technology (16) (16%)
- Citizens of US – 92 (92%)
  - Asian-American – 1 (1%)
  - African-American – 12 (12%)
  - Hispanic-American – 0

**Spring 1999** undergrad degree recipients - 126

- Average age - 27
- Average gpa – 2.82
- Average transfer credit hours earned – 42
- Those with 12 or fewer transfer credit hours earned – 35 (28%)
  - Graduated in 4 years – 1
- Females – 22 (18%)
- Largest major – Mechanical Engineering Technology (17) (14%)
- Citizens of US – 112 (89%)
  - Asian-American – 3 (2%)
  - African-American – 15 (12%)
  - Hispanic-American – 5 (4%)

**Fall 1998** undergrad degree recipients - 136

- Average age - 27
- Average gpa – 2.84
- Average transfer credit hours earned – 45
- Those with 12 or fewer transfer credit hours earned – 36 (27%)
  - Graduated in 4 years – 2 (2%)
- Females – 22 (16%)
- Largest major – Mechanical Engineering Technology (30) (22%)
- Citizens of US – 118 (87%)
  - Asian-American – 4 (3%)
  - African-American – 14 (10%)
  - Hispanic-American – 3 (2%)
