Library Systems will be down beginning May 1st - June 1st (possibly longer) due to consolidation on both campuses.

What does this mean to you?
No GIL requests can be made until the system is back up in June (beginning May 1st). Some library services will be limited because of this. During this time KSU affiliates will not be allowed to request items through GIL Express. It would also be a great help if KSU library members could return all GIL materials by May 1st, 2015.

We thank you for your patience and cooperation during this time!
