Address	
Home phone ( )	Other phone ( )

Check One: ☐Career Consular Officer (Complete section II)

☐Dependent of a Career Consular Officer (Complete section II and III)

Affirmation Statement *To be completed by applicant*

I hereby apply for a waiver of the non-resident tuition and fees on the basis of service with my country's consulate in Georgia for the following term:

Semester: ☐Fall ☐Spring ☐Summer Year: _____

I have read the Board of Regents' regulations and affirm that I qualify for the consular waiver.

Signature	Date

Section II *To be completed by the Consulate Official*

The below named individual is currently a career consular officer who is a citizen of the nation that this consular officer represents, and stationed and living in Georgia under orders of his/her respective government. I also verify that the nation in question operates on the principle of educational reciprocity with the United States. It is expected that his/her assignment in Georgia will include the dates indicated. (This period must include the first day of classes for the requested semester.)
