Present:

Mark Vickrey, James Whitenton, Ermal Shpuza, Briana Morrison, Tom Fallon, Terry Carter, Steve Hamrick

1. Actions were taken on two student petitions. Also, the Chair and Secretary signed the list of administratively handled petitions, and gave it to the Registrar.
2. Mark Vickrey discussed his letter to Mark Stevens regarding the proposed Faculty Handbook.
3. Terry Carter asked Steve about the possibility of some code in BANNER to distinguish an F (say) for academic dishonesty from an F given for the more usual reasons. Steve replied indicated that there should be a comment field in Banner that will allow faculty to note cases where a student receives a particular grade as a result of academic misconduct.
4. There was some discussion of faculty initiated withdrawals. Steve indicated that he had processed roughly twenty at this point.
