Required Text: “World Civilization since 1500” 5th ed. Vol. II by Adler & Pouwels.

Course description: History 1112 is designed to present a “thematic” approach to the study of significant trends and events in the history of the world. This course will trace the evolution of significant world developments from about the 15th century to the present. In this class the student will gain knowledge of the past in order to gain insight into the present.

Requirements: Attend lectures regularly, complete exams with an average score of 60% or better.

Your course grade will be based on an average of grades earned on:

1. Two major exams 33% each (blue exam books are a requirement)
2. Three surprise quizzes 33% total (no make-ups are permitted except for serious personal situations.....official documentation and my approval is a requirement)!

Grading:

A-90-100%

B-80-89%

C-70-79%

D-60-69%

F-below 60%

Bonus point options: You have two opportunities to earn 5-point bonuses; you may use the first, second, or both. An essay of adequate grade C quality or better, will earn a 5-point bonus that will be added to your course grade points before the course grade is averaged. For each 5-point bonus paper, submit a one to two page double spaced typed essay or report describing a visit to a history museum or historic cite; or read and summarize an article from scholarly journal or watch a documentary movie that **pertains**

to this time period covered by this course. (Only presentable, stapled hard copies will be accepted)

In addition,

You can earn 10 more points, if you also give the class an oral presentation....total of 15 points per bonus paper and oral presentation!

Examinations: Examinations could include multiple choice, true/false, essays and identifications. No make-ups are permitted, except for serious personal situations, in instances where a make-up is appropriate; all efforts must be made to seek my approval prior to the scheduled exam.

No one will be seated after the exam has begun!

The last day I will accept bonus papers, will be November 13, 2009
Midterm exam: September 30, 2009
